* Refer a friend or family member to our store within 30 days of purchase and receive a free pair of non-prescription sunglasses. The person you refer will receive 20% off the retail price of their first purchase. Referral card must be presented at time of purchase and redeemed within Stanton Optical®. The 20% discount cannot be combined with contact lens promotions or insurance. There is no limit to the number of friends and family that customers can refer. See associate for details.
